

With Conviction

...beyond reasonable doubt

NSW & ACT Association of Family History Societies Annual Conference 2021
Saturday, 11th September 2021

Welcome to our 19th August 2021 Conference Update

This cartoon from *Twisted Twigs on Gnarled Branches Genealogy* is so familiar to us when researching our family history, but it's also been a bit like that during our planning the 2021 Family History Conference – many unpredictable twists and turns but also opportunities and kindness.

So much can change in a week can't it! Just when we had organised our own Plan B, the whole of New South Wales went into lockdown. But we have a Plan B2 and are enacting it.

Many things may be cancelled, but the sun is still shining, hope is not cancelled... and neither is the 2021 Annual Family History Conference.

Our committee decided that the very least we can do is to keep individual registration fees at \$10 which means that registration will **not increase** to \$15 after 20th August. It's a real bargain for ten enlightening talks and access to the Goody Bag. Your last chance to register for the Conference and buy raffle tickets is 3rd September at 9:00pm. Just go to <https://www.trybooking.com/BPPBF>

We would encourage you to view the Conference on 11th September if you can. However, the speaker presentations will be recorded, so you can still access the talks for ONE WEEK after. Think about it - you could line up your snacks, grab a cuppa, pop on your Ugg boots and watch in a comfortable armchair – with ten talks, you could even indulge yourself and watch a couple a day!

Check out the website and have a look at the Fair tab which will be available on 9th September.

The conference will be broadcast on you - or your Society - on YouTube. We will send you a link to access the conference.

We are attaching the Preliminary Programme – the times are estimated at the moment, but we will issue the Final Programme by 1st September (all being well!)
