

NSW & ACT Association of Family History Societies Annual Conference 2021
Saturday, 11th September 2021

Urgent Notice

It's just a few days until we broadcast the 2021 Annual Conference and we need to check that we have your correct email address as some people have paid using a different email address to their 'normal' one and may not have been receiving our updates or information sheets.

We know that you have been waiting for the link to the conference and it will be emailed to you on **Friday, 10th September 2021** once we are sure that we are sending it to your preferred email address.

Please reply urgently to this email to confirm the email address that you want the link to be sent to if it is different to this one – that's a bit like asking you to put up your hand if your are not here – BUT if you have a friend who is not receiving emails – it could be that we have a different email address to their preferred email address.

Important News

We also want to tell you that we will be providing alternative ways for you to 'attend' the Conference, so there will be two links:

A link to Zoom where the Conference will have the pre-recorded speaker presentations, but some will be introduced live by the MC's and give you the opportunity to ask questions using the Chat function. We can chat, comment and add reactions. It will give us more flexibility and also gives us a sense of community, even if we are not able to be together. A great way to share our common interest in all things family history.

A link to YouTube Use this link to stream the Conference from 8:15am to 5:00 pm. The presentations, the introductions and thanks have all been pre-recorded. There are no live sessions.

Whichever way you 'attend' the Conference, the YouTube link is the one that you can use to access the individual speaker sessions at your leisure from Sunday, 12th September until midnight 18th September 2021.

Full Program

The full program is attached – eleven speakers – so much expert information assembled in the one place. What a wonderful way to spend a day. We look forward to you joining in.
