

**NSW & ACT Association of Family History Societies Annual Conference 2021**  
**Saturday, 11th September 2021**

At the moment, you may feel stuck at home... but really, you are safe at home. That's a priority!

You may not be able to sit down at your local shopping centre, but you will have a front row seat at the 2021 Family History Conference – right in the comfort of your own home, in your favourite space, in comfy clothes, just a few steps away from the kettle, the fridge, the bathroom. You can watch the conference presentations on your television using your computer's multiple display function. You can watch it all on Saturday, 11<sup>th</sup> September, and you can watch the presentations for a week afterwards. Sure to go a long way to relieving any boredom you may be feeling!

You still have time (just) to register and buy raffle tickets:

- ❖ Individual registration continues at \$10 for the conference and Goody Bag
- ❖ Your last chance to register for the conference and buy raffle tickets is **3rd Sep at 9:00 pm**  
<https://www.trybooking.com/BPPBF>

There are over 30 fantastic family history raffle prizes and the lucky winners will be announced at the afternoon tea break on 11<sup>th</sup> September 2021.

We are attaching our almost final Conference Program – the times are a little flexible until our techie puts it all together ready to broadcast. The link to join the Conference (and indeed to view the replays afterwards) will be emailed to you.

Saw this quote recently: *"Genealogy research is not a cold gathering of facts, but, instead, it is breathing life into all who have gone before. The researcher is the storyteller of the tribe. All tribes have one. We have been called, as it were, by our genes. Those who have gone before cry out to us. Tell our story. So, we do."* ~Clan Maclennan

We too will have a story to tell of living through this pandemic! We are living history. How will **you** remember it? Will you create a scrapbook? Write a diary? Create a time capsule? Make a film? Write up your family history?

Stay safe. Be creative. Have fun. Be kind. Be thankful.
