NSW & ACT Association of Family History Societies Annual Conference 2021
Saturday, 11th September 2021

Conference Q & A

Q: *How do I register to attend the 2021 Conference?*

A: If you are going to attend at home, please register personally <https://www.trybooking.com/BPPBF>
There's also a link on our conference website on the Registration tab
<https://conference2021.wixsite.com/pmdfhs/registration>. You will be sent a password early September.
The platform is YouTube.

Q: *Can our society register to broadcast the conference in our own society rooms?*

A: We enthusiastically encourage you to make the conference a local event and broadcast it in your own meeting rooms or local venue so that it feels more like a 'normal' conference. There is a special pricing for that available at <https://www.trybooking.com/BPPBF>.

Q: *How do I register if I'm attending our society event?*

A: If you are attending your society's local event, you don't need to register and pay an individual fee because your society will register, then collect payment from you – which may include the meals for the day.

Q: *What if we are in Lockdown on 11th September?*

A: We will make arrangements with your Society to send you the link so that you can watch the event at home. The problem may be at our end – where will we go to broadcast the event?

Q: *How do I buy raffle tickets?*

A: Thanks to our generous sponsors, there are fantastic prizes on offer - you can buy raffle tickets at the time you register by selecting that choice on <https://www.trybooking.com/BPPBF>

Or you can buy more at any time before the conference and as many times as you want. Even if you are not registered for the conference, you can buy raffle tickets. You will receive an initial acknowledgement from Clive, then Sue will email you the details, together with a photo of your raffle tickets.

Q: *I am unable to view the conference for the whole day, will the conference be recorded?*

A: There are ten speakers and we know that it's quite a long day to sit in front of a screen. There will be breaks for morning and afternoon tea and lunch which will allow you time to walk around, brew a cuppa - but you may receive phone calls, have visitors, or other activities that take you away from the screen, so replays of the presentations will be available for **48 hours** after the conference using a password.

Q: *Will I be able to view the speakers again if I attend a Society conference event?*

A: Yes, your Society organiser will give you the password to watch the Conference over the following 48 hours. We ask that you do not share this password with others who have not registered.

Q: *Who are the speakers, and what are their topics?*

A: There are ten knowledgeable speakers! We will publish the timetable for the day *about* mid-August.
