

NSW & ACT Association of Family History Societies Annual Conference 2021
Saturday, 11th September 2021

Stop – pause – persist - pivot

Here we go again! As Covid-19 continues to change and affect our day-to-day lives, we have to keep rethinking how to best present the 2021 Conference. Just a little while ago, our committee met in the Library with our two MCs to practice the introductions and tying the talks together which were to be live on the day. 24 hours later later we were in lockdown at least until 10th September! But we now have Pivot Plan C supported by Ollie our webcast producer. It's all good!

We have our thinking caps on as we work on finalising the program to juggle the talks into a time frame which has appropriate breaks for tea and lunch. There will be no concurrent talks. We hope to publish that program shortly.

It's a bonus that we can keep the talks online for a week after the conference, so if the phone rings, if doggy needs to go outside, if you must hang out the washing, etc you can replay the talks the following week.

Update: We have just had exciting confirmation that we will have a bonus 11th popular speaker – more news will be on the finalised program.

You still have time to register and buy raffle tickets:

- ❖ Individual registration continues at \$10 for the conference and Goody Bag
